SLIM LINEWIDE 15mm

SLW15; 15 x 22,6mm

EC-SLW15
End Caps

MC-SLW15
Mounting Bracket

DESCRIPTION

Not to be confused with slim line 15mm, this wider LED profile option (internally +6mm) that allows for the use of higher output LED (30W/M) whilst still retaining its low profile unobtrusive appearance. Ideal for interior design applications in hotels- restaurants-exhibition centres e.g.
