

ALU-SQUARE LED PROFILE

ALU-SQUARE 24,6 x 20mm with round shaped diffuser

EL-SQ-M2/M1
AB-SQ

EC-SQ-H1
End Caps

DESCRIPTION

With a 180 degree soft emitting light transmission, and 3 cover options including a delicately lined frosted acrylic snap in diffuser, this wall surface profile can accommodate high levels of illumination from a 16mm internal platform, and is totally LED's dots free, so the effect is very appealing.
